CORAM: A.P.DESHPANDE, J.
2/8/07

PC:

The present petitioner objected to nomination form submitted by respondent No.5 on the ground that he is not the managing committee member of the society. A resolution was filed before the Collector indicating co-option of respondent No.5 as member of managing committee of the Society-respondent No.4. The nomination of respondent No.5 has been accepted and aggrieved thereby present writ petition has been filed by the objector to the nomination. The election process has already commenced and most of the stages are over barring withdrawal of nomination papers and actual voting. I do not propose to entertain the writ petition as the same is likely to obstruct the progress of election which is being held. Hence writ petition is summarily dismissed. It is made clear that it shall be open for the petitioner to file appropriate election petition raising all contentions that are raised in the present petition and the same are left open to be agitated in the election petition.
